RELEVANT EXPERIENCE

Peninsula Cosmetic and Family Dentistry, Charleston, SC May 2025-Aug 2025
Pre-dental Intern and Patient Coordinator

- Rotated between front- and back-of-office roles to support clinical treatments and administrative operations in a large general and cosmetic dental practice of three doctors and four hygienists.
- Assisted with operatory setup, sterilization, digital scanning, and secondary assisting during procedures ranging from veneer preparation to bone grafting and implant placement.
- Served as the first point of contact for patients by coordinating scheduling, insurance verification, payment of balances, and managing patient questions and concerns while gaining unique insight into the crucial administrative side of dentistry, extending beyond the clinical scope.
- Helped hire and trained a replacement employee, providing guidance on clinical and administrative responsibilities while supporting their adjustment to the dental field.

UGA Pre-Dental Society, Athens, GA Aug 2023-present
Committee Member

- Participate in manual dexterity workshops, dental school visits, professional development events, and general body meetings to best prepare for dental school applications and a career in dentistry.
- Network with fellow pre-dental students to share resources, advice, and support each other on the pre-dental path.

Dental Shadowing, Charleston, SC Dec 2023-Aug 2024

- General and Cosmetic (150 hours) - Observed diagnostic procedures, restorative treatments, crown and bridge work, teeth whitening, and patient interactions. Gained insight into treatment planning, digital imaging, and patient education.
- Endodontics (8 hours) - Observed root canal treatments, pulpectomies, and the use of endodontic microsurgery techniques. Learned about advanced imaging and pain management in endodontic procedures.
- Oral Surgery (18 hours) - Observed wisdom teeth extractions, dental implant placements, sedation techniques, and post-operative patient care. Gained exposure to surgical instruments and sterile protocols.
- Pediatric Dentistry (10 hours) - Observed behavior management techniques, preventive treatments, and minimally invasive restorative procedures for children. Learned about sedation methods and child-friendly patient communication.

Together We Smile, Cartagena, Colombia Jun-Jul 2023
Dental Volunteer

- Assisted in providing dental care, including cleanings, fillings, and extractions, to underserved communities in Colombia.
- Fundraised for medical supplies and coordinated donation drives for clothing, toys, and hygiene products to distribute essential items and provided basic health education to patients and families.

LEADERSHIP & INVOLVEMENT

UGA Wesley Foundation, Athens, GA Aug 2022-present
Freshmen and Upperclassmen Small Group Leader, Prayer Leader, Student Discipler

- Lead weekly small groups to provide a place for students to come together, seek support, and connect with other students while enabling them to grow deeper in their relationship with Jesus.
- Mentor students through one-on-one meetings, providing emotional and spiritual guidance and support.
- Participated in two mission trips to St. Ann’s, Jamaica, as a student and leader to support the local community in construction projects for local schools and churches.

University of Georgia Miracle, Athens, GA Aug 2022-present
Family Relations

- Serve as the primary liaison between the Miracle organization and participated as a “Family Pal”, building relationships with representative Miracle Champions and families of Children’s Healthcare of Atlanta.
- Raised over \$2,500 throughout three years and participated in planning and organizing fundraising events to support pediatric healthcare initiatives of Children’s Healthcare of Atlanta.
